

YELLOW BIN PLUS

commercial packages | non-packages made of the same material

from metals, e.g.

aluminium bowls, lids, foils
mountings
fittings (for windows and doors)
eating utensils
beverage cans, tins
nails
pans
screws
spray cans (empty)
pots
tools

from plastics, e.g.

pots from dairy goods and margarine
flower pots
bottles from body care products, dish detergents and washing agents
foils, plastic bags
